CONNECTING ABUNDANCE WITH NEED
The Dispensary of Hope is a non-profit organization dedicated to providing pharmacies and charitable clinics with reliable access to vital medication - generously donated by pharmaceutical manufacturers.

With our robust inventory of consistently available drugs, you can improve the health of your most vulnerable patients - those with low income and without prescription drug benefits.
Objectives

- Overview of the Dispensary of Hope Business Model
- Constraining Business Efficiencies for Missional Gain
- Examples of Missional Misses, Near Misses and Outright Success
- Questions
In 2018, the Dispensary of Hope received donated products allowing us to provide network partners with enough medication to fill 1,162,096 prescriptions representing 532,414 patient encounters that served 63,581 of the most vulnerable patients in our communities across the nation each quarter.
THE COURAGE TO CONSTRAIN
